

REMARKS

The Examiner has previously indicated the allowance of claims 4, 6-9 and 13. By this amendment, previously rejected claims 1 and 5 have been canceled, and allowed claim 13 has been amended. Support for the amendment is at page 4, lines 6-10 of the specification.

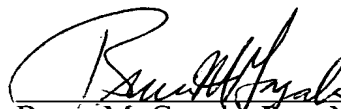

New claims 14 and 15 have been added, dependent on allowed claims 7 and 8, respectively. Support for these claims is in original claim 9 (now canceled) and in the specification at page 3, lines 16-18.

Lastly, rejected claim 3 has been amended to require at least two cycles. Support is in the specification at page 4, lines 6-7.

It is believed that all the claims should be allowable, and it is respectfully requested that the application be allowed and passed to issue.

In the event that any issues remain, applicants invite the Examiner to call the undersigned attorney at (312) 616-5600.

Respectfully submitted,
